

*BEAUTIFULLY DIGITAL PERFORMANCE DESIGNED TO
MEET THE HIGHEST CLINICAL REQUIREMENTS*

Simple, Seamless Integration

IMPROVED PRODUCTIVITY
Viewing the image on a large screen reduces neck strain, eye fatigue and increases productivity.

USER FRIENDLY TOUCHSCREEN
Easy to use, integrated cutting-edge digital technology and user-interface ensuring accurate screening.

EASILY ANNOTATE
View and annotate the image in real time, save, and share live images effortlessly.

SAVE AND SHARE IMAGES WITH A SINGLE TOUCH
Save, and share live images effortlessly. Images can be accessed remotely with the SeBa Cloud.

SeBa™ changes the way you view your microscope by simplifying the complexities of a traditional microscope. Its seamless integration of camera, computer and monitor creates an easy to use, all-in-one digital microscope that is perfect for any environment. SeBa™ brings collaboration, teaching, routine scanning, and image documentation into the next generation!
